Sir:

LETTER AND CHANGE OF ADDRESS

The office of the undersigned received the enclosed Notice of Abandonment mailed January 24, 1996. For the following reasons, this Notice was mailed in error. Accordingly, applicants request that the U.S. Patent and Trademark withdraw the Notice and indicate on the record that the application was not abandoned.

Applicants enclose a copy of the receipt-stamped post-card that indicates receipt of the Petition for Extension of Time (three months), \$900.00 check, and the Response, which were filed timely on November 22, 1995 (copies of those documents are also enclosed). (The due date for the statutory six month period for response was November 24, 1995.) Since applicants timely filed the Petition for Extension of Time, \$900.00 check, and Response, the case should not have been abandoned.

Accordingly, the Notice of Abandonment is erroneous. The undersigned respectfully requests that the Examiner call the undersigned if any additional information is needed to resolve this matter.
